We offer visits to the Embera Indian Village “TUPIPONO EMBERA”
The Village is located at Lago Alajuelas, Rio Chagres

We have daily trips from 07:30 a.m. to 1:00 p.m.

General information about the trip:

- A. Our driver will pick you up at your hotel and take you to the Chagres River where you will transfer to your water transportation.
- B. A TOCAMO Indian Chief will take you in a Cayuco (large dugout canoe) from the pickup point to the Indian village which takes about 15 minutes. You will have fresh fruits for an early snack at the village. You will be given tours around the river and visit a natural waterfall. Later when we come back to the village Chief TOCAMO will give you a warm WELCOME and you will be invited to the main Rancho (meeting place) to learn about their culture and traditions. They will provide you with a traditional lunch of fried fish fillet and plantins.
- C. There is a store in the village to buy handicrafts and souvenirs.
- D. TOCAMO will order Indian dancing and they will ask you to join the dancing. You will have a good time, a great adventure and learn about another culture.
- E. Once we are finished with the visit you will be given a farewell by Chief TOCAMO and then be taken back to the mainland. You will then be delivered back to your hotel.
